# LITTLE HARROWDEN Community Primary School

Dear Parents / Carers

As part of an enriched curriculum your child will be accessing the internet, e-mail and personal on-line space via the EXA Security Filtering System.

In order to support the school in educating your child about e-safety, (safe use of the internet), please read the following rules with your child and return the slip.

In the event of a breach of the rules by any child, the e-safety policy lists further actions and consequences, should you wish to view it.

These rules provide an opportunity for further conversations between you and your child about the safe and appropriate use of the internet and other on-line tools (e.g. mobile phones), both within and beyond school (e.g. at a friend's house or home).

A full copy of the school's policy on internet use can be found on the school website.

Should you wish to discuss the matter further please contact me via the school office.

Yours sincerely

Mrs Jacinta Foo  
Headteacher
