## Headteacher's Review of the Week

It has been wonderful to see how well the children have continued to settle into school life during this second week of the new academic year. Classrooms are full of energy and enthusiasm, and it is already clear that the children are beginning to build strong routines and positive learning habits. Whether they are in their first days of Reception or returning with more experience further up the school, everyone has shown great resilience, kindness, and a willingness to embrace new challenges.

Teachers have commented on how quickly children are engaging with their learning and how keen they are to share ideas and support one another. Around school, there is a real sense of community: children walking in proudly; playing together in the playground; and demonstrating our school values in so many small but important ways. It is lovely to see friendships forming and growing and to watch the children grow in confidence each day.

We know that the start of a new school year can sometimes feel daunting but we are so proud of the way our pupils have adapted. Thank you also to parents and carers for your continued support; it makes such a difference in helping the children feel secure and ready to learn. We look forward to building on this strong start as we move further into the term.

We thank you for your continued support.

**Jewellery:**

We politely request that the jewellery the children are wearing to school is limited to stud earrings and a watch. We have concerns that additional jewellery to this may increase your child’s risk of accident or injury.

Please inform the school office if your child wears additional jewellery for religious reasons. A note regarding this will be placed in your child’s records.

We also ask that all hair that is longer than shoulder-length be tied back.

**Parking:**

Please ensure you are parking considerately and safely when dropping off and collecting your child.

We would like to say a huge thank you to the Working Men’s Club who have reminded us that parents and carers are welcome to use their car park during school drop offs and collections. They are also happy for parents to use during events such as Sports Day, Come and Read, etc. Please find an image below of where this if you are unsure.

**Treasure Island:**

We would like to say a huge thank you to the PTA for organising a performance of Treasure Island for the whole school. Thank you to yourselves and parents and carers for your generous support of our school events which allow the PTA to provide these types of events. The performance is on Thursday 2<sup>nd</sup> October and we can’t wait!

**Harvest Festival:**

As part of our Harvest celebration, we encourage children to consider others who may be hungry and in need. Each year we donate a fantastic amount of food to the Daylight Centre in Wellingborough who support the homeless.

We ask that children bring any donations into school on the morning of **Friday 10<sup>th</sup> October**. As a thank you for bringing in a food item, your child will be allowed to wear mufti on this day.

As part of our celebrations, we would like you to warmly invite you to a Harvest Festival assembly on **Tuesday 14<sup>th</sup> October** to watch the children present their Harvest work to you. We will hold a **Buttercup/Daisy/Primrose assembly at 9.00am**.
