

Dear Parents and Carers,

Just a quick email to say thank you for supporting the first school disco we have had in a while. We had an amazing turn out! We managed to raise an astounding £393! These funds will pay for the ice creams our children will be having whilst watching the panto as well as the treats that Santa will be handing out when he comes to visit the school this Christmas.

A reminder that this Friday is Rainbow Mufti Day (see attached), so we look forward to seeing all the children in their different colours and to receiving your kind donations.

Also, do take a minute to stop and appreciate our new bulletin board up in School Lane.

As always, thank you for your continued support.

Your PTA
